

# TWA FALL YARD SALE

**Saturday, October 24<sup>th</sup>  
7 am – 12 pm**

**TIME TO CLEAN OUT THOSE CLOSETS AND GARAGES!**

The Thornhill Women's Association is sponsoring our community yard sale. If you would like to participate, the cost is \$10.00. This fee covers advertising, the \$5.00 garage sale permit, signage, and balloons to designate which streets are participating. The City of Charlotte requires that each participating home have a permit. If you are caught without a permit, you could be fined by the city. TWA saves you the time and hassle of obtaining the permit. We will make one trip uptown to get permits for all participating homes.

Simply complete the attached form and return along with your registration fee (CASH PREFERRED)

**NO LATER THAN Wednesday, October 21st to:**

Elizabeth Johnson, 11022 Jordan Rae Lane  
704-341-3826

**\*\*Please be sure to include your lot number. (Required by the city to process the application) You can locate this on the Thornhill Map in the back of your directory.**

**Permits and balloons will be delivered to your mailbox  
no later than Friday the 23rd.**

In addition, we will make arrangements with the Kidney Foundation to pick up any unsold items. Simply place any items you wish to donate in boxes or bags clearly labeled with "KF" curbside by 12:30 pm. They will be in a truck clearly marked "Kidney Foundation". If you see anyone else picking up your things at the curb, you may call the police.

This has been an issue in the past.

All information is also available on-line at [www.thornhillnc.net](http://www.thornhillnc.net)
