Master Committee Charter

Mission

The role of a Committee (“Committee”) is to assist the Thornhill Community Association, Inc. (“TCA” or “Association”) Board of Directors (“Board”) as described in the Committee Charter.

Committee Membership

A Committee is created by resolution of the Board. Committee membership is generally open to all TCA members who wish to participate. This notwithstanding, the Board may, in its discretion, reserve the right to appoint committee members by resolution or by delegating this authority to the Board liaison as circumstances and committee scope or requirements might suggest. The Committee shall consist of at least three (3) but not more than seven (7) community members.

Committee Leadership

A Committee will have one chairperson who shall be appointed by the Board or elected by the Committee members. A Committee may also designate one co-chairperson. The Chairperson will be responsible for all communications with the Board, scheduling meetings, drafting agendas, and creating periodic reports to the Board. The Chairperson may delegate this responsibility on a case-by-case basis to any Committee member. Every volunteer on a Committee has an equal right to express their opinions and ideas as how to best serve the interests of the community.

The Board will appoint a Board member to serve as a liaison to the Committee. The role of the liaison is to facilitate the Committee’s interaction with the Board, including placing items on the Board’s agenda, answering questions, and communicating recommendations.

Scope and Responsibilities

A Committee Mission defines the general scope of responsibilities that must guide the Committee in its work. From time to time, the Board may modify the Committee Mission or scope to better meet the needs of the Association. Committee chairs and members are encouraged to bring suggestions in this regard to the Board’s attention.

A report should be provided monthly, even if it states that there was no committee activity that month. The committee report may be provided by email or in person, as determined by the Board liaison in consultation with the Committee Chairperson.
- Attend Board meetings at least as often as requested by the Board
- Immediately inform the Board of any concerns brought to the Committee from members.

A Committee serves only in an advisory capacity, which can make only non-binding recommendations to the Board of Directors. These should be communicated through the Board liaison or Chairperson who will see that items are placed on the Board meeting agenda.

Communications

To assist a Committee in accomplishing its tasks, the Committee Chair will have reasonable access to the community's messaging tools. Requests to post messages via the TCA webpage, message boards or newsletter should be made to the Committee Board liaison prior to distribution so the message may be validated against any communications guidelines that have been adopted and approved by the Board.

Compliance

The following are requirements of all Committee members:

- No personal gain shall accrue from service on the Committee
- Committee members will avoid any conflict of interest, the appearance of any conflict of interest, and any breach of confidentiality in carrying out their duties.
